“Frat” Pledges**

The opportunities to create for the student his social life . .

Students Climb Steps to Knowledge in New Library

nd increase his co-curricular activities are numerous at Potomac State

GROWTH . . . PROGRESS . . . EXPANSION . . .
Yet keeping traditional high standards of the past . . .

ALMA MATER

Potomac State, Potomac State, Our Alma Mater Dear,
We'll sing thy praises far and wide,
For Gold and Blue we'll cheer.
Potomac State, Potomac State, may thine the Honor be.
Our sons and daughters live for thee,
All hail Potomac State

Rightfully called our memory lane

ile planning enthusiastically for the future!

First achievement reached—Now for tomorrow.

FOREWORD

When you made your first appearance at Potomac State College many of you were not only entering college, but were for the first time living away from home and facing the challenge of becoming adult and independent. You were experiencing a new chapter of life, which was a big step for you. Through this past year, however, you have changed. You have grown older, wiser, and have prepared to face and accept the responsibilities of tomorrow. In the pages of this book we hope you will find reflected some measure of the meaning of your college days at Potomac State College, and in the future, when you reread the pages of this book, we hope that the college days of planning, striving, and growing will have become memorable days with even greater significance.

Science Hall — Where Sciences Were Learned.

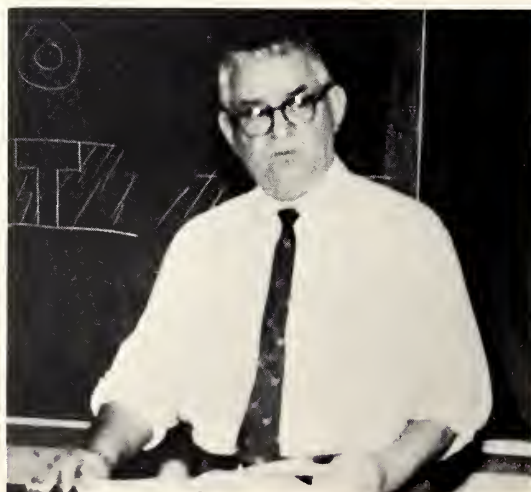

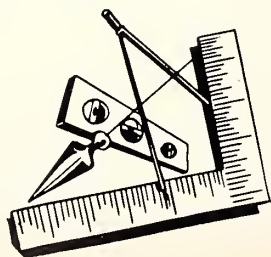

Professor Walter A. Jaworek

DEDICATION

It is with deep admiration and appreciation that we, the CATAMOUNT staff and the student body, dedicate this 1962 edition of the CATAMOUNT to Walter A. Jaworek, who for twenty years has been teacher, friend, and counselor to students at Potomac State College.

Professor Jaworek, besides being a member of the West Virginia Society of Professional Engineers, is also advisor of the campus Engineers Club and sponsors many activities in behalf of the engineers of tomorrow. But, more than this, he has proudly served as guide and teacher to all students with whom he comes in contact.

Again, Professor Jaworek, we are proud to say — this is **your** book.

Mr. Jaworek instructs students.

ADMINISTRATION AND FACULTY

POTOMAC STATE COLLEGE 1902-1962

Sixty years of growth and development! The students of that first year, 1902, lived and worked in a world that seems in retrospect almost unreal. They were a part of a campus of only one building. But many from that year and the succeeding years went on to help mightily in building the campus and the world of 1962. Truly the past is only prologue.

We congratulate The CATAMOUNT for its part in depicting The Potomac State of today and tomorrow.

PRESIDENT

Dr. Ernest E. Church

To meet the ever-increasing challenge of the future, Potomac State College has provided for selective admissions, a program of guidance, new courses, and the development of methods leading to excellence in teaching.

You are reminded that, as a student, you should accept your share of the responsibility to prepare yourself for the challenge of the future. Remember that it is in this future that you will be spending the rest of your life. This edition of the *Catamount* will be a constant reminder of the efforts which you have put forth thus far in meeting this challenge.

STUDENT COUNCIL

The Student Council acts as an executive body for the students of Potomac State College. Its formation was deemed necessary in order that a closer relationship between the administration and the student body could exist. Although the council's main objectives are of the administrative nature, it also promotes school spirit and fellowship.

Throughout the school year, the Council promoted many important events. During Freshman Week, it assisted in the orientation program for the incoming freshman, and later organized the Freshman Class. Rules and regulations for the freshmen students were made and enforced by the Kangaroo Court under the direction of the Council. As football season arrived, the Council super-

vised the selection of cheerleaders, held "thuses" and sold programs for the football games.

Two gala affairs of the campus, the Homecoming Dance and the May Day Ball, were sponsored by the council.

Upon recommendation of the athletic department, the Council presented letters and sweaters to athletes and cheerleaders. The Student Council also purchased new uniforms for the cheerleaders.

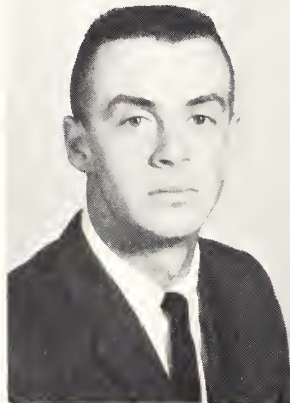

In association with the Director of Student Affairs, the Council sponsored movies and various informal dances throughout the year. These social functions were for the benefit of the student body as a whole.

As we, the 1962 CATAMOUNT Staff, completed the twenty-fourth edition of the CATAMOUNT, Potomac State's college year-book, we looked over our work and hoped that we had included all the activities and highlights of the school year that you will want to remember. Once again we read the theme and were reminded that "1962 Marked a Year of Progress." We hope that each of you realize progress has no end, and no matter where you journey you will prosper, find success, and use this book often as a means of reliving your days at Potomac State College.

THE PASQUINO

Carrying news of the campus to students, faculty and a wide public is the college newspaper, the **Pasquino**, a fortnightly publication staffed by students majoring in journalism assisted by a group of volunteer staff members.

The **Pasquino's** press run of 2,100 copies is distributed to students, faculty and staff on the campus. In addition, a mailing list of well over 1,000, contains the names of parents of all non-commuting students, alumni throughout the world, hundreds of other colleges and high schools of the tri-state area, friends of the college, and advertisers.

The newspaper staff publishes a Student-Faculty Directory annually. The annual banquet in the spring features the appearance of a speaker prominent in some phase of Journalism.

CIRCLE K

The Circle K Club of Potomac State College is a service organization dedicated to this institution and to the community of Keyser. The local Circle K Club was established in 1952 and holds Charter Six in Circle K International. The Keyser Kiwanis Club is composed of college men of high character and good scholastic standing, who feel that to serve is an honor instead of a burden. The objective of Circle K International is to

improve relations with college, community, country, and God.

Major projects this year were: operating the second-hand bookstore, sponsoring the annual homecoming parade, establishing a campus litter project, assisting with Parent's Day, sponsoring a Tenth Anniversary Festival, aiding in the annual Blood Mobile program, establishing a recognition plaque for scholastic leaders in school, and serving as guides for various campus activities.

Vice-President	Ray Campbell
Secretary	Julia Hathaway
Treasurer	Lewis McConnell

The Christian Youth Fellowship was organized on the Potomac State campus in 1949. This organization strives "to bring Christian youth of Potomac State College into closer contact with the Church and to deepen their devotional life through recreation and fellowship." Constructive programs are presented by the various members at the meetings which are held each Sunday evening.

The Christian Youth Fellowship co-sponsored Religious Emphasis Week and sponsored the Pre-Easter Communion and Pre-Easter worship services for the Protestant students. It also participated in several campus social events.

NEWMAN CLUB

Mr. J. Kenna Burke
Sponsor

The Newman Club is a national Catholic organization, brought to Potomac State College in the spring of 1948. Its purposes are to foster the spiritual, intellectual, and social interests of Catholic students of the college. The group is a member of the National Newman Club Federation and of the Province Federation of West Virginia. The assistant pastor of the Church of the Assumption, Keyser, is chaplain of the club, and two faculty members of the college serve in an advisory capacity. At one of the two monthly meetings talks on religious or social subjects are given by visiting speakers.

HOME ECONOMICS CLUB

The Home Economics Club, an organization which is interested primarily in promoting home economists of high caliber, enriched the member's knowledge and experiences with interesting activities during the academic year 1961-62. The annual activities included: The sale of mums; the barbecue dinner, with the co-operation of the Agriculture Club, for Homecoming; the serving as aides for receptions; and the attending of a Religious Emphasis Week service as a group. Other activities were the Christmas party for Keyser Elementary School children, the trip to Pennsylvania State University, the supervising for the F.H.A. Conference, and the attendance at a church service each semester.

Members of this organization have received a multiplicity of honors. Jean Bonafield obtained a 4.0 average; Sandra Compton represented the college at Piedmont's Junior Fair; Helen Groves received national recog-

nition from the American Aberdeen Angus Association for outstanding achievement in a beef cattle project in 4-H club work; Julia Hathaway placed second in West Virginia's "Make It Yourself With Wool" Contest; Anna Jane Kinsey won the title of Regional Dairy Princess in the Clarksburg area and attended National 4-H Club Congress for achievement; Marsha Seaber reigned as Queen of Winter at the annual Sigma Iota Chi Christmas dance; and Janet Pisarchik was elected to the court of the Homecoming Queen, the R.O.T.C. sponsor, and cheerleader for two years. Other members of this organization include: Mary Nell Burfield, Melva Ervin, Joanna Grubb, Barbara Helm, Camilla Mason, Joyce Suwak, and Sue Wimer.

AGRICULTURE CLUB

The Agriculture Club was organized in 1954 for the purpose of furthering the professional and social interests of the members. Membership is open to all students majoring in agriculture, forestry, and veterinary medicine.

Activities of the club this year included co-sponsoring a barbecue dinner for homecoming with the Home Economics Club, sponsoring a turkey shoot prior to Christmas

vacation, and making a tour of Pennsylvania State University with members of the Home Economics Club. Other activities were the showing of films of interest to the members and inviting speakers, prominent in some field of agriculture to speak before the group. Several members assisted with the regional Home Economics convention held on campus. At the last meeting the outstanding agricultural student was selected.

WOMEN'S RESIDENCE ASSOCIATION

The Women's Residence Association, established on December 7, 1944, consists of the women living in Reynold's Hall. The purpose of this organization is to promote the amicability of the girls and to help plan the social life on campus.

Among its activities, the association decorates for the annual Homecoming, and sponsors

an annual Christmas party. The House Council, comprised of officers of the association, acts as the governing body for women. Through a social forum held twice monthly, an opportunity is given for girls in residence and girls living in approved homes, to discuss and learn proper social usage for college women.

Women's Athletic Association was organized to popularize women's athletics and to provide leisure time activities. This organization is open to all women enrolled in Potomac State and provides sound recreation for all those interested in sports.

If a total of two hundred fifty points is earned by a member, she is entitled to an emblem. The points are acquired by participation in tournaments, meeting attend-

ance, group hikes, and other various ways. One of the projects was the making of cor-sages for the mothers on Parent's Day.

The aims of W.A.A. are to develop standards of leadership and good sportsmanship and to promote those activities which may be adapted to the leisure time of later school. W.A.A. has the very appropriate motto: "A sport for every woman and every woman in a sport."

ENGINEERS CLUB

Mr. Walter A. Jaworek
Sponsor

The Engineers Club, lending a professional atmosphere to the academic life of engineers on the campus, has been in existence since 1932. Freshman engineers become members as part of their engineering orientation program, and are urged to continue their membership during their Sophomore year. The main purpose of the organization is to make the student engineer aware of the professional aspects of engineering. This is accomplished throughout the college year by inviting practicing engineers to give talks at meetings, the showing of industrial films, and taking trips to industrial plants in the area.

POTOMAC STATE SINGERS

The Singers of Potomac State College were organized in 1926 to give the students who were interested in singing an opportunity to enjoy group participation in the art.

From a humble beginning the Singers group has grown both in number and reputation to become the most active cultural organization on the campus. Potomac State sends this group on annual tours to represent the college at high schools in the area.

The highlight of the winter season was the presentation of "The Christmas Story" by Matthews, which was sung before the Keyser Rotary Club and the college as the Christmas convocation.

The Singers also added special music to the annual "Religious Emphasis Week" program.

In the spring the Singers along with choruses of the area participated in the Region Four High School Choral Clinic.

Climaxing the year with their last performance for the graduating members, the Singers provided the music for the Commencement convocation.

POTOMAC STATE DANCE BAND

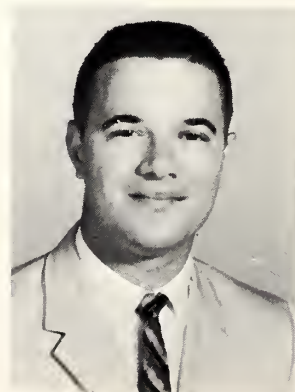

The Potomac State College Dance Band is a credit course and is under the direction of Mr. Charles Whitehill, the college band director. Membership is open to any student, by audition. In addition to the ordinary music available to dance bands, the group varies its sound by using special arrangements by Mr. Whitehill and by using small combos and soloists.

The group has appeared at several school functions including the Faculty Reception, the Parents' Day Convocation and student dances. It also appeared in two spring concerts and accompanied the Potomac State Singers on their annual spring tour of neighboring high schools.

POTOMAC STATE CONCERT BAND

The Potomac State Concert Band, under the direction of Mr. Charles Whitehill, has a membership of fifty-four players. All students of the college, both men and women, are eligible for participation in the concert band. The band affords students an opportunity to continue their musical training and devotes its time to the study and performance of band literature of the highest quality.

The band participated in two spring concerts and played for the college graduation exercises in May.

ROTH MILITARY HONORARY SOCIETY

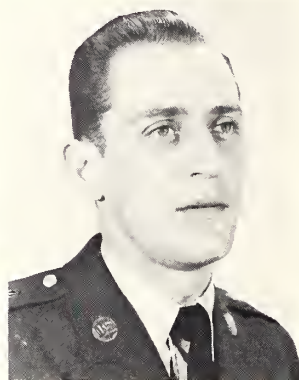

Major Thomas E. McBride, Jr.
Sponsor

ROTH Military Honorary Society is named in honor of the late Colonel Roth, who was largely responsible for formation of this active and worthwhile organization at Potomac State College in 1953.

Requirements for membership are that a student have a "B" average in Military Science, an overall academic grade of "C" and a vote of approval by members of the organization. High moral standards, military proficiency and demonstrated leadership ability are prerequisites for ROTH membership.

ROTH Society sponsors and supports the Cata-mountain Rifle Team and is responsible for the performance of ceremonial activities of a military nature in connection with Potomac State College activities.

Social activities for the 1961-1962 school year have been the Annual ROTH banquet at the Upper Potomac Shrine Club with guest speaker Mr. Earl Mangus, the colorful Annual Military Ball and the end of the year informal cook-out.

MILITARY MARCHING BAND

The ROTC Marching Band is under the direction of Mr. Charles Whitehill. Band members may earn additional ROTC merits for participation and may also earn college credit if they continue into the Concert Band, as most do.

The band is most active during the fall season when it contributes much to the spirit of the school by performing at football games and pep rallies in addition to the ROTC noon formations. Last year the band also performed in the Memorial Day Program, the Homecoming parade and the Keyser Christmas Parade. One of the highlights of the fall season was a trip to Shepherdstown for the Potomac State-Shepherd football game.

CATAMOUNT RIFLE TEAM

Maj. Thomas B. McBride
Team Advisor

The Catamount Rifle Club, sponsored by the Military Department and by ROTH Honorary Society, provides Potomac State College with representation in college rifle competition. Through its affiliation with the National Rifle Association, the rifle club is qualified to participate in national events such as the William Randolph Hearst match. Also through the NRA, the team members have an opportunity to work as Certified Assistant Rifle Instructors at summer camps in various states throughout the country.

This year the team, though it was composed mainly by novices, continued the tradition of scheduling difficult competition. Though a number of matches were lost, a great amount of experience was gained. The year has been successful and prospects for next year look even better.

PANHELLENIC

Mr. Burt Simpson
Sponsor

The Panhellenic Council, governing body of the Greek-letter organizations on campus, is composed of eighteen members, two sophomores and one freshman from each sorority and fraternity. The council serves as a forum for the discussion of problems pertaining to fraternal life. Its aim is to promote better fellowship and co-operation among the fraternities and sororities on the campus, to assist in keeping up the spirit of the college and to maintain the highest ideals of life, character, scholarship, and citizenship. Panhellenic arranges the annual college program for these campus societies and arbitrates school campaigns and elections.

SIGMA PHI OMEGA

Sigma Phi Omega has been active on the campus of Potomac State College since 1923, when it was organized to foster scholarship and citizenship, and to promote co-operation between faculty and students. These aims it has followed throughout the years.

Sigma Phi Omega each year sponsors two convocations honoring campus personalities. The first of these, **Know Your Organizations Convocation**, is for the benefit of new students and introduces to them the campus organizations and their leaders. In the spring

just before the close of the school year, the **Recognition Day Convocation** is presented, at which time the activities of the past year are reviewed and honors are awarded. The society also assist at the annual Faculty-Student Reception. The climax of each year is the formal banquet where faculty and actives join in honoring new members.

The Honor Society members recognize the responsibility that is theirs, and they strive to maintain high academic standards and to co-operate with the college at all times.

ETA UPSILON GAMMA

Eta Upsilon Gamma, founded at Christian College, Columbia, Missouri, in 1901, is the oldest national junior college sorority in the National College Panhellenic. The aims of Eta Upsilon Gamma are to stimulate school spirit, to promote scholarship and achievement, and to enrich and broaden friendship.

The sorority started out the year with its annual rush party held in the lounge of Davis Hall with the theme "Getting to Know You." In November the Harvest Swing was sponsored by the Gammas and their brother fraternity, Theta Sigma Chi. In December the Thetas were the guests of the Gammas at the Christmas party held at the Davis Hall Lounge.

In February the Gammas were the guests of the Thetas at an informal party held at the Keyser Elks Club. March was highlighted by a "Twist" dance held at the Armory; the proceeds from this project are to be used for the conclave in California this summer.

The climax of the year was the picnic with the Thetas, and the annual Theta-Gamma banquet held in honor of the departing sophomores.

Honors bestowed upon Eta Upsilon Gamma members during the year include: Janet Pisarchik and Mary Zimmerman served as R.O.T.C. sponsors; Mary Jenkins, Jacqueline Oufiero, Janet Pisarchik, and Patricia Powers were cheerleaders; Mary Zimmerman and Delores Leeson were proctors in Reynolds Hall; Paula Poorbaugh and Jean Dorsey were editor and news editor, respectively, of the Pasquino; Cathie Rees was crowned Queen of the Harvest Swing; and Patricia Powers reigned as Queen of the Military Ball.

THETA SIGMA CHI

The Theta Sigma Chi Fraternity was founded on the campus of Potomac State College in 1922. This year marks the fraternity's fortieth anniversary. The fraternity promotes character, fellowship, scholarship, school spirit and cooperation.

Theta Sigma Chi participated in many college sponsored events; winning an award for the best decorated float of the Greek letter organizations, sponsoring the Harvest Swing in co-operation with their sister sorority, and conducting the election of Miss Catamount during Homecoming weekend.

The organization proudly points to the accomplishments of their men. Gary Keedy served as escort for the queen of May Day, Martin Sharpless reigned as King of the Harvest Swing, Joseph Giffin was president of Sigma Phi Omega, and Lewis McConnell was president of Omni-Sci Club. Rhodes Marston was honored as Governor of the State Circle K and served as president of the local organization.

Other activities of the fraternity included various informal parties, a rush party, a dinner dance, and the annual picnic.

Kappa Delta Psi was founded on the campus of Potomac State College, April 26, 1951. The objectives of this sorority are to further scholarship, to stimulate school spirit, to promote high moral standards, to develop a close feeling of friendship among its members and loyalty to Potomac State College.

The sorority began its 1961-62 activities with a rush party for the freshman women at the home of Mrs. Earl Hess, where the active members presented a humorous style show. In November the girls presented their usual Thanksgiving basket to a family in the area. The annual Christmas party, at the home of Col. and Mrs. Gordon Beach at Rawlings, Md., featured a gift exchange between "big" and "little" sisters. Throughout the year, several informal parties were

sponsored by the sorority and brother fraternity. In cooperation with their brother fraternity, Phi Kappa Omega, the sorority once again staged a successful Easter Ball. The year was climaxed with the annual spring banquet, planned by the freshmen in farewell to their "big" sisters.

Honors bestowed upon Kappa Delta Psi members throughout the year include: Judy Markley, member of the Homecoming Court and president of the Moorefield District MYF; Karen Rhodes, R.O.T.C. sponsor, secretary of the Sophomore Class, president of C.Y.F., and a member of the May Day Court; Connie Mustoe, head-cheerleader, R.O.T.C. sponsor, and editor of the CATA-MOUNT; Colleen Bailey, Queen of the Easter Ball; Maria McBride, president of W.A.A.

Phi Kappa Omega Fraternity, which was organized on the Potomac State College campus in 1949, works constantly to promote high scholastic standings, sound moral character, and a fraternal spirit among the members.

The men of Phi Kappa Omega proudly point to their 1961-1962 achievements. Brother Armando "Butch" Spagnolo served as President of the Freshman Class. Dave Corbin reigned as President of Delta Psi Omega. The Kappa float, entered in the Homecoming Parade, won first prize for being the most original. The Kappa also had the honor of drawing the largest number of pledges from the new Freshman Class.

In co-operation with the sister sorority, Kappa Delta Psi, we held the annual Kappa Easter Ball, which once again was the spotlight of the social activities on campus. Throughout the college year the Fraternity held informal dances with their sister sorority. The year was climaxed with the annual spring banquet and picnic.

The bonds which were established with the other brothers will long be remembered by all of us.

Epsilon Chapter of Sigma Iota Chi is the oldest sorority on the campus of Potomac State College. Sigma was founded in 1903 at the University of the South at Sweanee, Tennessee, by Greer A. Duncan. It has become the largest junior college sorority in the United States. Carrying on the spirit and ideals of the first chapter, the group stresses the importance of scholastic achievement and fellowship. Using "Outer Space With Sigmas" as a theme, the sorority entertained the freshman women at their rush party held at the home of Mrs. Edwin Jordan. At this time thirty-seven pledges

were voted into the sisterhood. Judy Jose reigned as Miss Catamount. The Phi Sigma Nu fraternity chose Marsha Seaber as Queen of Winter at the Christmas Dance. Carole Sue Hardesty, Sigma Sweetheart at the annual Sweetheart Ball, was chosen Apple Blossom Princess. During the second semester, Carol Hepner held the office of president for the Panhellenic Council. Throughout the year Sigmas have several parties and a square dance with their brother fraternity. At Christmas a basket of canned foods was prepared and sent to a needy family in the community.

Panhellenic Representatives	Roger Truex Jerry Knight
Student Council Representative	Thomas S. Coffman

Phi Sigma Nu, founded in 1922, has been an outstanding social group on the campus of Potomac State College. The fraternity was granted a National Charter by the National College Panhellenic and has been designated Beta Chapter.

The fraternity began its year with a successful and entertaining pledge party during the fall "Rush Week," which netted them several members. In the autumn activities the fraternity sponsored the winning candidate for Miss Homecoming. The annual "Christmas Ball," which is sponsored by Phi Sigma Nu, is the biggest project undertaken by the fraternity, and this year's dance was an outstanding affair. John Fornof reigned as "King of Winter" at the Ball. In February, Thomas Coffman was chosen to reign as King at the Sigma sponsored "Sweetheart Ball."

This year the fraternity has sponsored many of its activities with its sister sorority, Sigma Iota Chi; the most popular being the square dances. Phi Sigma Nu participates in all organized campus activities. Many diverse programs have been presented by and for the members. The Fraternity prides itself in having Jerry Pifer, who is President of the Student Council, as the President of this organization.

The Fraternity demands college spirit, interest in all college activities, high moral standards, individual development of character and leadership, and scholastic achievement from all its members.

Men who are now away from the college but often return to visit their old fraternity are indications of the fact that the bonds of friendship established in Phi Sigma Nu provide lasting memories in future years.

PHI SIGMA NU

POTOMAC STATE PLAYERS

The Potomac State Players Club, which was organized in 1919 and is the oldest cultural organization on campus, provides for the training and experience of its members in every phase of dramatics from acting to behind-the-scene-work in set decoration and make-up. A three-act production is presented by the Players every year. In 1962, the Players gave *Gramercy Ghost* as their presentation.

Membership in Delta Psi Omega, an honor society for dramatics, is awarded each year to members who have done outstanding work, made valuable contributions, and met the requirements of the organization.

Delta Psi Omega is the largest honor society in dramatics for junior colleges. This fraternity is an international drama honorary one for students in junior colleges. Membership in the fraternity is a reward for excellent ability and participation in various phases of dramatic arts. Furthermore, membership in Delta Psi Omega, makes one eligible for membership in Alpha Psi Omega, on the four year college level. The objectives of the society are to promote the dramatic arts on the campus and to aid dramatic clubs such as the Potomac State Players. The Potomac State cast, number 110, was instituted in 1954.

Students are selected for membership on a point basis. One hundred points must be accumulated by work in some phase of dramatics before the individual may be considered for membership. Election to the society, however, is not automatic; candidates must satisfy both national and local requirements for election.

Delta Psi Omega does not exist as a replacement for dramatic clubs, but is rather a fraternity to give recognition to members of such organizations who excel in this field.

OMNI-SCI CLUB

The Omni-Sci Club reorganized last year from the Medi-Sci Club, is open to all students interested in the various fields of science. At the bi-monthly meetings, programs of current scientific interest are presented by guest speakers and members of the club. The object of the club is to further students' interests in all phases of science at Potomac State College, and to encourage student participation in scientific research.

The club has been affiliated with the West Virginia Academy of Science Club since 1948, and delegates from the club attend the annual state meeting of this organization held in the spring.

POTOMAC STATE CATAMOUNTS FOOTBALL

Coach
Dana Lough

Coach Dana G. "Horse" Lough's Catamounts completed the 1961 season with a 5-4 record as they emerged victorious in the last three contests.

The Catamounts started the season on a winning note as they ran rough-shod over Bainbridge Naval Academy by the score of 28-0. Joe Pugh and Robert Shaw led the Gold and Blue as the duo picked up 175 yards to a total of 95 for the Middies. Other six pointers were scored by Harry Wilson, Hank Cleary, and Mike Melody.

Glenville's Pioneers handed the Cats their first loss of the campaign by a 39-20 count. Although Potomac State led throughout the first half, they couldn't stop the determined Pioneers in the later stages of the WVIAC contest.

For the second week in a row the Loughmen met defeat. This time at the hands of Salem College by a score of 25-0. The visiting Tigers could not be caged as they amassed 259 yards to 135 for the Cats.

Arch-rival Shepherd College handed the Catamounts their next loss by blanking Potomac State 32-0. The charges of Coach Lough were hindered throughout the game by injuries to key players.

The Catamounts roared back into the win column as they handed Davis & Elkins a 13-0 defeat in the Homecoming tilt. Joe Pugh scored twice as the Gold and Blue completely dominated the game.

Montgomery Junior College ended Potomac State's three season win streak in the Tri-State Conference as they scored in the last few minutes to gain a 7-6 win. Bill Kennedy chalked up the only Cat score in the mud-marred contest.

The win column was again crashed by the Catamounts. This time three victories in a row sent the Loughmen over the .500 mark. Potomac State topped Wesley and Baltimore by scores of 20-13- and 27-7, respectively, and came from behind to edge a much larger Frostburg team 19-13 ending the 1961 football season.

BASKETBALL—1961-1962

The 1961-62 Catamount Cagers, hard hit by graduation and the victim of a number of close contests, emerged with a season record of 10-17. Also for the first time since the Tri-State Tournament began, the Gold and Blue failed to reach the finals.

The Cats started off the season with a bang as they came from behind on a steal by Stan Kolodzieski and a basket by John Fahey, to edge Altoona College 76-74. Four Catamount starters scored in double figures in the win. Hagerstown also fell victim to the Cats as 13 players hit the scoring column to account for a 91-51 runaway.

Coach Lough's cagers dropped the next three contests as they fell to Johnstown 82-69; Delhi College of New York 79-56, despite 41 points by Stan Shingleton and Jim Carpenter; and Davis and Elkins 73-51. However, the Gold and Blue surged back with convincing wins over Charles County College and St. Mary's by counts of 76-50 and 54-45 respectively.

Slipping again into the loss column, the Catamounts dropped six out of the next seven contests. Losses came at the hands of Prince George 76-67, Canton 49-47, Frostburg 84-78, West Virginia University Freshmen 79-70, Shepherd 82-74, and Fairmont 73-71. The only bright spot in the drought was a 75-70 victory over Montgomery Junior College.

Potomac State swept the series with Hagerstown as they copped a 78-59 decision. Fahey, Shingleton, and Urtso headed the PSC attack. Victory was short lived, though, as the Lough-men began a four game losing skein. Victories gained over the Catamounts were by Davis and Elkins 80-74, Shenandoah 98-60, Salem 67-65, and Frostburg 69-63.

The final triumphs of the season were victories over Catonsville 87-62, Wesley College 76-53, and Baltimore 69-63. Altoona, however, conquered the Cats in their final game by a score of 92-65.

In the post season Tri-State Junior College Athletic Conference, the Catamounts emerged with a 1-2 slate.

In the first round, the Gold and Blue struggled to a 35-23 victory over Wesley in a tight defensive game. Wesley led at the half by a score of 7-2. Advancing to the semi-finals, the Loughmen ran into trouble as they dropped a 66-60 decision to Prince George College. They also lost the consolation game to Shenandoah by a 80-71 count.
